Ascot Plans Steeplechase; Stock Cars Go Tomorrow

Motorcycle racers hit the spotlight at Ascot Park, Gardena, with J. C. Agajanian staging one of the crowd-pleasing steeplechases tonight.

Dick Hammer of Lakewood, the Neil Keen of the barrier jumpers, will be shooting for his fourth straight victory tonight around the tricky eight-turn infield course with its hair-raising 10-foot jump every lap.

Hammer lowered the 15-lap record to 12:31.07 last Aug. 6 when he outlasted Dick Dorresteyn of San Pablo in a duel that went tire-to-tire until Dorresteyn spilled on the 12th lap.

HAMMER, Dorresteyn and other outstanding steeplechasers will all be home from the national AMA TT championships just concluded Aug. 27 at Peoria, Illinois.

Agajanian has announced a three-class program for tonight with separate races for the amateurs and novices. Skip Van Leeuwen, Bellflower's "Flying Dutchman," renews a grudge fight with Jimmy Plain of El Sobrante in the amateur division while Wayne Bowen, Ron Nelson, Dale Norlund and Bill Riley are the class of the first year riders.

PERENNIAL favorites Eddie Gray, Gardena, and Lloyd Dane, Buena Park, for the past half-decade kings of west coast stock car racing, try to head off a consistent pair of challengers, Lynwood's Eddie Pagan and San Fernando's Ron Hornaday, in the big 100-lap NASCAR Pacific Coast Championship new stock car race at Ascot Park, Labor Day evening at 8:30 p.m.

Gray, the driver to beat in any race, has won five major victories already this year including two at Ascot. He pilots a 1961 Ford.

His teammate Ron Hornaday, however has won the last two NASCAR 100-lap features, one at Ascot on July 4th, the other a thrilling 100-lapper at Saugus two weeks ago.

BAD NEWS . . . Three car pile-up at Western Speedway involved Ron Garriot, Steve Kermit, and Bill Mangold. The Hot Rods will be going tomorrow on the Gardena oval while the stock cars will take the spotlight today.

CJA Stock Cars Compete On Gardena Track Today

Marvin Heinis, Sylmar and Frank Denny, Los Angeles, go after main event victories in today's CJA stock car races at Gardena's Western Speedway where they will compete in the day's nine event card.

Heinis returned to action recently, and piloted his Oldsmobile to his fourth triumph of the year. Denny took his first victory of the year two weeks ago, then came back to finish second to Heinis in his last outing, also driving an Oldsmobile. He is currently second in this year's points.

They will face the top ten drivers in points, led by Arley Scramton, Compton (Oldsmobile); Jerry Plotts, Gardena (Ford); Gene Davis, Santa Monica (Oldsmobile); Bill Ferrier, Newhall (Ford); Dick Cook, Lakewood (Hudson); Bill St. James, Gardena (Ford); Eddie Kusch, Compton (Buick); Chuck Townsen, Gardena (Dodge); and Danny Franco, Van Nuys (Oldsmobile).

Other drivers entered include: Clem Proctor, Compton (Dodge); Jimmy Jack, Van Nuys (Olds); Dave Phillips, Santa Ana (Studebaker); Cliff Fagot, Torrance (Chevie); Johnny Jones, Hawthorne (Olds); Bill Benton, Torrance (Olds); Connie Burdett, Glendale (Olds); Dave Hubert, Huntington Park (Olds); Ronnie Donelson, Inglewood (Lincoln); Lamarr Anderson, Manhattan Beach (Olds); Dick Miller, Venice (Olds); Ivan Alther, Lawndale (Chrysler); Jim Lytle, Pasadena (Olds); and E. Z. Pickens, Gardena (Ford).

The racing card, which will consist of over 85 laps of racing, is topped by a 30-lap feature. Time trials will start at 1 p.m. followed by the first race of the day at 2:30 p.m.

Tomorrow night Art Atkinson, South Pasadena, and Marvin Heinis, Sylmar, lead a field of 100 cars and drivers who will take part in Labor Day Sweepstakes CJA Hot Rod and Stock Car doubleheader races.

Atkinson, captured his second main event win of the year, last week at Western Speedway as he wheeled his ebony hot rod racer to a win in the day's feature. He is currently second in points to last year's champ, Jim Roessler of Barstow, also a strong threat in the hot rod races.

The results of the tournament were announced by Frank Murin, Torrance recreation dept. golf director. Runners-up in the championship fight were Denny Drury, second, and Lloyd Lessor, third. Championship consolation fight was won by Peter Macarrone defeating Mike Berry, 3 and 2.

Chargers Outslug All Stars, 12-11 In Girls Softball League Thriller

By Doris Avis

Playing before a large crowd at Walteria park on Tuesday night, the Chargers and the All Star team put on the most exciting game of any played in the Girls Softball league in the past ten years. It was finally won by the Chargers in the bottom of the eighth inning 12 to 11.

This game was the only one ever to go an extra inning and was a sweet one to win and a heartbreaker to lose. The Chargers, winners of the league, took a commanding 9 to 3 lead in the bottom of the fourth inning.

The damage was done by a single from Katy Ried, the catcher, and a triple from Lela Burns, who played both short-stop and alternated at pitching with Kathy Fisher.

The All Stars were not dead, though. They started whittling away a that lead, and picked up one run in the fifth and two in the sixth. The big blow was by Jan n Salby, the All Stars' left fielder, who came up with a long double. Going into the top of the seventh, the Chargers were leading 9 to 6.

TWO HITS and five walks produced four runs, to send the All Stars ahead 10 to 9. However, this is where the All Stars blew their big chance to ring up some more runs. They left the bases loaded when three outs were made via the strikeout route.

With the pressure really on, the Chargers came through when they came to bat in the bottom of the seventh. They were helped along by three walks given up by the All Star pitcher, Nancy Owen. The tying run was scored by Kathy Fisher stealing home on an error by the catcher.

The All Stars opened the eighth by getting the lead-off batter, Judy Williams, on by an error by the pitcher, Lela Burns. Judy then moved to second on an error by the catcher, and when she attempted to steal third, the catcher threw the ball all the way into left field, allowing Judy to score the go-ahead run.

THE ALL STARS then got Lynda Gunn all the way to third but left her stranded there. With their backs to the wall, the Chargers came back full force.

Pam Hammon led off with a solid single, followed by a walk to Lee Alexander. An error by the catcher moved both girls into scoring position.

Lela Burns then hit a high fly to left field, which the left fielder misjudged completely. By the time the ball reached the infield, the tying and winning runs had crossed the plate.

This was a game enjoyed by all and well played for eight innings. The All Stars had eight hits and the Chargers only seven, but the Chargers had one more run, and they certainly earned it.

NEW SOFTBALL CHAMPS . . . Recent victors in the Girls Softball League, the Chargers ended the season by nipping an All Star team, 12 to 11. Culver Takes Connie Mack World Series

Culver City, champions of the South Bay Connie Mack League, added another title to their belt by nipping Seattle 5-4 to garner the Connie Mack World Series crown.

Culver City, beaten only twice in three years by local nines, went through the double elimination tournament with only a 3 to 2 defeat by Seattle marring their record.

The new Connie Mack kingpins earned the right to compete in the tourney by edging the Torrance Red Devils, 1 to 0 in the final game of the local title chase.

Competing in the South Bay loop are: Culver City, Torrance Red Devils, Torrance Bullets, Westchester, San Pedro and Hawthorne.

Parnelli Takes Third in Race

Torrance's Parnelli Jones grabbed off third place behind Jim Hurtubise and A. J. Foyt Sunday in the 100-mile sprint car championship at Langhorne, Pa., Sunday. Hurtubise turned in a record-breaking time of 103.715 for the win.
